

**\*Learn To Sew Camp** - during this week of camp you will learn the parts of the machine, how to pin and cut, and how to straight stitch and zigzag. Your first project is a sewing bag which you will keep your sewing projects in. You can also make a pair of shorts, a top, or pick a craft to make.

**\*Once you have completed this week you may advance to as many other camps as you would like.**

**Clothing Camp** - during this week of camp you will make as many clothing items as time allows. You can make anything from shorts, a top, nightshirt, skirt, and much more.

**Quilt Camp** - during this week of camp you will choose from precut quilt kits and sew the pieces together. Then you will complete your quilt by sewing lines of quilting to secure the three layers together.

**Craft Camp** - during this week of camp you will make as many fabric crafts as time permits. Crafts include: pillows, windsocks, bean bag critters, bears, and much more!

**\*Learn to Sew Camp** must be completed by all **NEW** students before progressing on to other camps.

**Attend the camp of your choice on any given week.**
